Quick Start Guide

Create an Event

From the main menu, select Create Event at the bottom of the screen. Fill out the event details and click create event to create your event, or save event to save your event, which can then be accessed later in My Events.

Search for Event

From the main menu, select Search Event at the bottom of the screen. Type a search term into the search box at the top of the screen and then press the magnifying glass to search. You can scroll through results and either select more information or sign up. You can view events you signed-up for in My Events, and from there you can remove yourself from the event.
